## **CORNBELT RUNNING CLUB 24 HOUR RUN**

1. Participants will run in the second lane. Pylons or other restriction will be placed in the inside lane to enforce correct distance.
2. Volunteers will count laps for all participants.
3. This event is a “go as you please” race. Running, walking, and crawling are permitted. No mechanical assistance will be allowed. Runners may leave the track at any time, however they must notify their lap counters when leaving the track.
4. Race numbers must be displaced prominently to assist lap timers. It also is recommended that verbal and/or visual recognition be made between the runner and his/her lap counter to insure the correct recording of time and number.
5. Lap direction will change after the first four hours, and every three hours thereafter.
6. Participants will be responsible for their own handlers and aid. The race will provide water and some other items but a runner should not rely solely on this.
7. Gatorade has been selected as the “Official Drink” of the Cornbelt Running Club 24 Hour Run.
8. Restroom facilities are within easy walking distance from the track.
9. Showers available at North Scott Racquetball & Fitness Center Sunday morning following the race.
10. The winning runner will be the only one who completes the most miles within the 24 hour time limit.
